

Mr. Daron Richard Tunks

July 21, 1967 - January 11, 2022

Daron Richard Tunks, a.k.a 'D.T.' of Peoria, IL and Conley, GA, was born on July 21, 1967, in Peoria, IL. He was the fourth child and only son born to the union of Richard Martin and Barbara Ann (Carlson) Tunks. Daron made his transition peacefully at his home in Conley, GA, on January 11, 2022.

Daron was born and raised in Peoria, IL, where he received his education in District 150 schools. He attended Calvin Coolidge grammar school, several high schools before receiving a perfect score on the G.E.D. Exam, attended Bradley University and received his Bachelor's degree from Robert Morris College.

On January 23, 2000, Daron was baptized at Mount Zion Baptist Church by the late Rev. Alphonso Lyons, Jr. Daron was a member of St. Paul Baptist Church, under the leadership of Pastor Deveraux R. (Kristie) Hubbard, where he was a member of the Drama ministry.

While attending Bradley University (B.U.), Daron became a renowned member of the Epsilon Kappa chapter of Alpha Phi Alpha Fraternity, Inc. as the Anchor #6 (line name: D.W.B.) of S.S. Determination in Spring, 1987. Daron was a proud member of the fraternity and loved to see the reaction on brothers' faces when he would challenge them, as his ultimate goal was to make a new connection in the bond of brotherhood. Daron also met the love of his life, Shann Lindsey. They were married on June 1, 1995, in Peoria, IL. Together they have six children. Daron was a devoted and loving husband as well as a protective father. There was nothing he wouldn't do for his family.

Daron had the vision to have a business that he could leave to his sons one day. He was the sole owner and operator of Tunks & Sons Delivery. He started Tunks & Sons Delivery in 2003 as a furniture delivery company that evolved to an intrastate moving company in 2007. Daron loved to sing, gamble, play pool, and was an avid chess player. He was often late to the party, but the party did not start 'til D.T. walked in! D.T. will be remembered as a protector of his family, a 'wanna-be' comedian to his friends, and the white boy with soul.

Daron leaves to cherish his memory his wife and partner of 35 years, La Shann Monise Tunks (whom he affectionately referred to as 'LoverGirl'), six children: Tyshell Tanae' (San Antonio, TX), Kevin Benard (New York, NY), Jade Marie (Atlanta, GA), Deja Monise (Conley, GA), Daron Richard II and Jaron Calvin (both of Peoria, IL); eleven grandchildren, who affectionately called him 'Big Daddy': Maliyah Marie-Vonsae, Shyla Redina-Chante,' Jhase Anthony Richard, Dominik Braxton-Lee, Melodi La'Rae, Lyric Ka'Mari Ann, Jewel Denise, JeQuez De'Audrey II, Daron Richard III, Nyla Joi Monise, and Jaron Calvin II; three sisters: Dawn Elizabeth (John) of Lawrenceville, GA.; Rose Marie (Gregory) of Carbondale, IL.; and Linda Kathleen (Michael) of Peoria, IL. He leaves a host of nephews, nieces, cousins, in-laws, surrogate sons who affectionately referred to him as 'Pops,' fraternity brothers and friends. He was preceded in death by his parents and grandparents.

The Funeral Service will be held at 12:45 pm on Sunday, January 23, 2022 at St. Paul Baptist Church. Pastor Deveraux Hubbard will officiate.

“ La Shaun:

DARON's JOURNEY HAS JUST BEGUN

Don't think of him as gone away his journey's just begun. Life holds so many facets this earth is only one.

Just think of him as resting from the sorrows and the tears in a place of warmth and comfort where there are no days and no tears.

Think how he must be wishing that you could know today, how nothing but your sadness can really pass away.

And think of him as living in the hearts of those he touched. For nothing loved is ever lost, and he was loved so very much.

“ Mr. Daron Tunks was more than a friend to me. He was a mentor, a comforter and a person of great internal strength that I looked up to. I met him at Bradley University during the Fall of 1990, as I was just starting my sophomore year in college. As insecure and directionless as I felt at the time, when I came in contact with “DT” I was instantly drawn to him because he seemed so confident and sure of himself. We met in Haussler Hall which was the intramural and student recreational building on campus. He was just finishing up with a pickup basketball game and I was about to put up some shots and get a little extra practice. He instantly made me feel welcomed and safe. I was a student-athlete at Bradley on the Men’s Basketball team trying to find my way to get more playing time. I saw DT a lot that particular Fall and as I got to know Daron, my respect level grew for him as well. Then I found out he was a member of ALPHA PHI ALPHA Fraternity Inc. That’s where it all started to make sense for me in terms of learning more about life and growing from a boy to a man! Eventually joining A-PHI-A, because of men such as Daron and the other “bruhs” in the organization of ALPHA. In some ways, I credit DT with my decision to be part of our beloved Fraternity because of his values of never showing fear or any other vulnerabilities yet he was always compassionate and available for me. It turns out that he was like that as a father, husband and brother! DT meant a lot to me and his passing is very hard to understand because he appeared to always have an unlimited supply of strength in life and an unwavering exuberance towards people and his family. But we are only humans and when the Lord calls us to come home then we must go. In closing, I must say that I will miss him dearly. Especially because I really didn’t get to spend much time with DT after college yet he still had a major impact on my life. Those days swiftly pass as we all know and we get caught into the vortex of life. Yet Daron has left an indelible mark on who I am as a Man! I am proud to say that he is my Brother! In closing I would like to end my statement with a poem that describes Daron’s position and relationship to me in my life. Onward and upward towards the light!! You will be missed, Rest In Peace and may God have mercy on your soul my brother. “ This man was a great man, I knew him before he was as teen, playing with my cousins Todd and Fonzo. We all played hoops on the garage rim. I would come home to o visit and remember Lady Lounge playing him in pool. We we're all Proctor Center regulas. He was like family to us all. I last spoke to him at Bradley where I worked and he was with his Frat guys, I was surprised too see him and we talked for awhile. You will be missed and may your family find comfort in the family and friends who loved you.
