Joyce loved the Lord Jesus Christ and dedicated her life and strength to His service. She was known as the modern day “Dorcas” for her sacrificial help to her family, friends, fellow educators and students.

She was a dedicated employee to the Peoria Public Schools District 150 for over three decades of service. Joyce taught at the Adult Education Center, Woodrow Wilson Primary School and the Sterling Middle School.

There was not an environment that Joyce was not teaching and sharing herself for help and information. She embodied lifetime learning and received several academic degrees. She nurtured hundreds of Administration, Faculty, Staff and Children’s lives with her love and sacrifice.

Joyce after 33 years of classroom teaching was found tutoring at Whittier Primary & Trewyn. Serving was her mission.

Joyce was a devoted member of her beloved, Bethel United Methodist Church, Peoria, IL. She was extremely involved in Bethel, serving as a choir member, Sunday school teacher, and a variety of ministry support activities.

Joyce was member and current vice-president of the Nu Pi Omega Chapter of her beloved Alpha Kappa Alpha Sorority, Inc. She was a member of the Illinois Education Association-NEA, and the National Association of University Women (Peoria Branch). She served in many capacities in these organizations. Joyce was always moving and on the go. There will be a huge loss to every corner of the Peoria community.

Joyce leaves to mourn in her passing two brothers Rev. William (Anita) Helm, Woodbridge, VA and David (Bridget) Helm, Lexington Park, MD and one sister, Dora “Darlene” Helm, Kansas City, MO. She leaves behind a host of nieces and nephews. Joyce was preceded in death by her Mother and Father, her brother Timothy Helm and a nephew, Christopher. In her last weeks, there were dear friends and loved one at her bedside in which we will always appreciate.

In lieu of flowers, Joyce asked that donations be made to Bethel United Methodist Church,

“ I believe it is a God thing that I had been thinking about Joyce the last few days. I served with Joyce on the IEA Regional Council a number of years ago. I looked to her as an example of how to participate positively in a meeting. She was insightful and poised. I respected her greatly. Janet Geisz, Washington, IL

“ Although it has been many years since I attended Certified Lay Speaker school with Joyce, I thought of her often. I attended a service pastored by Reverend Gary Williams at Bethel at her invitation. The Sunday service began somewhere around 11 am. When it was over, I thought it should be around noon. Imagine my surprise when I looked at my watch and it was 2 pm. Joyce was just a pure joy to be around and I treasured our 8 weeks at preaching instruction together. Our paths crossed briefly and then not again, but I still remember her bright, positive and helpful manner. The world will miss this talented and lovely lady. Larry Colbert

“ I had the opportunity to meet and become acquainted with Joyce while doing our student teaching at Rolling Acres School in Peoria. She was in impressive individual with a heart for her students and their futures. After several decades, I was fortunate to be teaching in the Department of Education when Joyce started in the department. We enjoyed our visits and getting "caught up" with our years and careers in education. Joyce certainly touched and brought encouragement into the many lives she encountered.

“ Ms. Francis will always be remembered as my First Grade mentor. Being a first year 1st grade teacher I had no clue on what my kiddos needed as far as supplies, classroom decorations, curriculum, etc. Ms. Francis guided me through my first year as a 1st grade teacher. Her support, friendship, and years of service to education helped me become the educator I am today.

“ Joyce was such a wonderful friend to my mother. Not a week went by when she either had just left Joyce, was riding to Decatur with her the next day or was waiting for her to come by in just a few minutes. Mom will remember her always. I am so grateful for the love and care she showed to my mother and know my mom's heart is greatly saddened by her loss.

“ Joyce was loved and respected by so many IEA members, leaders and staff! Her caring, no nonsense voice resonated throughout the Association. I so looked forward to working with her. She was diligent to the work at hand, devoted to what was best, filled with common sense, guided by a huge heart! I loved when I had the opportunities to see and talk with her, which were too infrequent over the past few years. I will so miss her warmth and guidance.

“ I am so sorry to learn that Joyce passed away. She was a dynamic woman that I got to know through her advocacy for teachers and students through the Illinois Education Association. We were both young teachers learning the skills we used to become leaders in our professional lives. Joyce was kind, funny, and direct, what a combination!!

May her family and friends keep her alive in their hearts.

“ I had the pleasure of working with Joyce during our involvement with the Illinois Education Association (IEA). We were part of the central section of IEA and worked together on several things in particular trainings for minority educators, state committee work, elections, IEA and NEA conventions, etc. Although we had work to do, we also had a lot of fun.

Joyce was always professional and was a great role model and mentor to younger members. When the Illinois Federation of Teachers (IFT) took over the Peoria School District from the IEA, Joyce was devastated. However, she worked hard to maintain the remnants of the IEA and serve the members who were left.

I will miss her smile and her devotion to the organization. God rest her soul!

Sincerely, Camille Taylor

“ Tp the family of Joyce Francis, my condolences. She was one of the kindest, loving people I knew. She was so strong in her beliefs, no matter what task was at hand. I am the Associate Staff of the Peoria IEA Office and have been for 35 years and worked a lot with Joyce in the many offices she held and projects she worked on for her fellow teachers and students at Peoria District 150 and all of the members of the IEA in her Region. She was the voice of reason. She was someone who never gave up and was willing to continue to fight for the rights of her members and students through all the years I knew her. She will be missed. I would run in to her frequently out and about and always enjoyed the hugs and talks we had. God Bless you Joyce.
