“ To Karen and all the family, Crystal and I could not be with you to celebrate Virginia's homegoing due to health and this COVID but we do send our most sincere peace and love. Virginia always met us at the door with her warm smile. She always calm us when the storm seemed over whelming. She made our father not only happy but protected when he was most vulnerable. I will forever be thankful and know that she rest well in that heavenly home.

“ Karen, my heart goes out to you and the family with the lost of your Mom Virginia "Gin". In my memory of her, she was always friendly and a classy lady to me. What a joy having her here on earth and what a joy she will be in heaven, another angel. I always thought it was cool because your mom, you and me all have August birthdays but me and you always thought it was even cooler, because our birthday are so close and we both are Virgos. Virginia and my mom, Peggy, were both Leo's. Oh, I know heaven is going to just adore and enjoy her. She is there with other family members that she adores too. An ole family reunion. Karen, God's Peace to you and with all my heart I love you, my dear cousin Virginia you rest now. Love you.

“ When the Lord calls our loved ones home, he leaves a gift of memories in exchange. I will always remember my fun time with my Cousin. I got a chance to sing a little of our favorite song to her a week before her passing. Karen, I will always be here for you. Praying for the family. Missing Gin so much.

“ Karen and other family members. This is a sad day for me. Your mother and I were friends (as was Lu) and Co-Workers until I left Peoria permanently in 1974. If I remember correctly you were a wonderful baby-sitter for me a number of times. Your mother was a very professional and compassionate person. Even though I didn't see her in later years , I will miss her just knowing she is no longer here. My hugs and love go out to you and other family members. Be healthy and safe. “ Gin has been one of my life long friends. We grew upon 5th Street & graduated from Peoria (central) High School. We remained friends & shared good times & bad times. I remember at a New Year party, Gin, Louie, Noverta & Lou did an interpretation of Gladys Knight & The Pips Midnight Train To Georgia that was hilarious. She was so giving to the community. Karen I know your heart is aching & I am truly sorry for your loss as I am the loss of a lifetime friend. Remember God will take care of you.

“ She was my Mother's best friend when I was a child living on 5th Street in Peoria, Illinois.

“ Gin was a life, long, best friend and also my sister-in-law. I loved her like a sister because we would travel together, and experience new things together. She encouraged me to marry my husband Sam Polk, and she was my matron of honor at my wedding. When ICC first opened its doors, Gin and I was one of the first students to attend. Gin stood by me through a lot of the happiness and heart aches that I experienced. I shall always have fond and loving memories of our times together.
