When life is with the departed you  
A friendship shared is long as time  
All you, love, things, I see, will miss  
No one's hearted with love of someone  
I wish you the greatest of happiness  
No one to love full, I cannot describe  
Good friends, good times, a fond one's heart  
Perhaps you have missed all the best  
Dear-remembered I love with tender grief  
I'll see your heart and smile with me  
God watch over you. He will see you
