“ Angela...I remember when we first met at the Culture fest in Bloomington. You and I became best friends that day! Remember us walking to school listening to B2K with our CD players! You would hit the notes and I would hit the dance moves lol....Man we were so COOL! Everyone just needed to catch up with us! I have sooooo many memories of us in our little world. You weren't just my best friend but my sister. Speaking of sister....remember when Taliyah learned how to spell the word "everything" because we kept playing B2K's song "everything" around her all the time! Your laugh, smile, everything about you was lovable and unforgettable. I Thank God he had you in my life when he did.....I LOVE AND MISS YOU SO MUCH!
