“ Auntie your presence will surely be missed.
The way you chopped the air when you've
had enough, your smile and laughter, your
cast iron size pancakes with the crispy edges
and chilli in the winter time. Not even the best
Stanley Cup collector could compete with you and your tumbler in
your right hand. My family and I send our deepest condolences to
her sisters and kids during this time of bereavement. Auntie
memories and legacy will live on. We love you family!
