It has been said to cry when there is a birth and to rejoice when there is a death. The time has come to remember Berley and all the wonderful things he contributed to this world and to life. He will be missed by many.

So many things to say. A wonderful man of God. True and faithful friend. In 1994 God spoke to me about Berley . I remember all the wonderful stories we shared in the back room of the shop over on war memorial drive. Going to miss him but know one day, we will meet again. Heaven received a wonderful and precious soul. May we all remain faithful so we all to will receive that same gift one day. God comfort the entire family in the months to come.
