“ To Members of the Moore Family,

I was pleased to personally know Bernice Moore and many members of the Moore Family during my tenure as Principal of the "old" Lincoln School at 3rd and State Streets. Because of the way she raised her family, and her interest in them all receiving a quality education - those Moore children were successful in the classroom as well as in their individual athletic endeavors and team sports! Several of the Lincoln Girls Basketball Teams, which included some of the Moore girls even won the City Tournament. Lastly, Bernice would not tolerate her kids getting in trouble at Lincoln - and they didn't! She was a pleasure to know and to work with! God bless the family - and my sincerest sympathies to them.
