“ *Lil Bra, I remember the first day I met you!!! You have been real from day one and you and my siblings loved and looked out for each other and that is what made you become my little brother. You could have asked me for anything and I wouldn't hesitate on giving it to you. All I do is cry thinking about you because I never imagined you not being here, you didn't live the life of someone who could be gone in a blink of an eye, y'all was good kids who just loved making music... great music!!! I love you Lil Bra and I will be forever missing you!!!*
