“ I am going to Miss Brandy. She was so sweet and loving. She was always happy and cheerful. She would give me advice, she checked in on my family and was just so concern. I am going to miss her.... She was like a Big Sister to me and a great Aunt to my children. I keep rereading our last conversation via messenger and I just keep tearing up....She spoke truth. Baby I shall see you again when it my time...I LOVE YOU BRANDY!!

“ Brandy was my girl in the Vint and Grade School. She was always a strong person to me. We use to ride our biked past Kartsville to her cousins house. I always went to hwr1 house to hang with her. Im so distraught this is so unreal to me. I know she's looking over us and smiling down at us. I love u Brandy and i hate we lost touch with one another. I wish i could be at your home going to see u one last time. But unfortunately i don't live in Illinois anymore. See u again!!

Brandy was a beautiful person to know from the inside out. She had a caring heart for people, and a big part of my Joy. I can't imagine not talking to her everyday as we often did ,always ending in I Love you, and her saying I Love you more.
