Breelund was a special person to me. He called me his sis, and he was my brother. Many times in the past, i would stop to visit. Often times i wouldnt even realize that a quick chat would turn into hours. I just cant imagine him not being outside when i walk or drive by. I will miss him here.

Breelund Davis, I will miss you I'm glad you and Tracy stopped by to see me a few years back coming from Jacksonville Florida after attending your son's Julius's high school graduation. Even though it was short it was educational and meaningful. RIP my young brother -- your worries are over.
