“ *As an old Taft homes resident, I was very sorry to hear of Carl's passing. My condolences and prayers go out to Carl's family and friends. Played a lot of basketball with Carl on the big field basketball courts many years ago where a lot of us grew up on and learned how to play thanks to guys like Carl who also like a lot of us, were almost permanent fixtures on those courts daily. Carl was well known for his unorthodox high outstretched arms over the head wrist flick jump shot that he hit with great puzzling efficiency . Also most of the time he had one of the only basketballs that we played with and always shared it with us.*

*Carl was a great guy and a very positive influence on many of us . Him and older guys like Henry & Eddie Hansen, Promise Sanders, Gene Toms, playground director Levern Tart, and many old school Bradley players like Shellie McMillon, Al Saunders, Bobbie Joe Mason and others really helped a lot of us younger guys. Carl was one of these guys. Very proud to have known him and may he Rest In Peace .*

*Carl talked often of playing basketball on the big court. He loved the game. He said he would play regardless of the weather conditions. All those I met through him discussed his ability to play the game. Thanks for your expounding on his love for basketball and each of you. Rose Daniels.*

*So true... he loved the game so much and took special care of his favorite basketball. Sometimes he let me take it to grade school so my class could play games during recess. The whole class loved it... and we all felt like NBA players.*
