“ *To the family, he will be dearly missed. I pray you will find comfort and strength in the many beautiful memories, he has left 'behind; his wonderful smile and his great laugh.*

To Janice, Nita, Keith, and the rest of the family, I know you will miss him but remember that death was only one day. He lived a life full of love and joy, and he lived it well, rest in those memories, and allow them to get you through each moment that seems to difficult to bare.

Rest well Smoockey 🙏❤️

“ *Sending condolences to family and friends of Stuckey's.
I have looked for you over the past twenty years just to say hello but never found you. You will and have been missed.
I can remember a time at LA's I was standing up a couple of stairs and we were at eye to eye level, I looked out over the crowd and looked at him and said this is what you see all the time. Opened my eyes to whole another level. I have told this story many times over the years.
RIP Stuckey.*
