“ From childhood until you became a woman you were. A Diva: A smart Beautiful Intelligent Encouraging person. I always said you were before your time. So getting your wings at 40 is like getting them at 60. You were always the momma, I watched you raise your brother,deal with personal issues outdress the best,and still wear that beautiful smile. Even when I would see you and you were not feeling your best you still would give me a hug and that beautiful smile. Job well done Dee Rest on...
