“ *I only had the honor of meeting Debra a time or two during the short time she lived here at Sunshine Village Apartments in Toulon. Even so, I do, and will miss her and think of her often. It was obvious to me just how sweet and warm Debra was, and I feel like I've lost a good friend.*

*Rest well Debra, and I'll look forward to seeing you again in Heaven! And to her family... may God bless and comfort and keep you all. May her love and generosity stay with you always.*
