“ Aunt Denna was a very loving and caring person who never judged anyone and excepted people for who they were. Even if I hadn't seen her for a while she always came up and gave me a big hug and made me feel welcomed like I was one of her children. She was beautiful inside and out and was always so good to me and my brothers. She will be missed dearly. Love you Aunt Denna- Danielle

“ *I have some wonderful memories of my friend, from learning when she was pregnant with Dusty, to a girls only (well, Ruff and Jessa too) weekend on Dads boat with champagne and chocolate covered strawberries. Dad didn 't know. On to the only friend that would, could and did drive me from Tn to Indiana for my daddys funeral. She loved me right through it all. I sure cannot forget her sense of humor when she thought it was hilarious to prank me. I was staying with her and her dad in a Nashville apartment. I had come all the way from Calif. With my dogs. She was sure dad would not stand still for the dogs, but he did. All was well until she called me downstairs to show me a mess my dogs had made. I was beside myself, I didn 't have any place to go yet and I couldn't watch them all day since I was working. I started to get very worked up and stressed, so I went to clean up the mess and it was fake dog poop. Gotta love that girl! Denna, I love you. Love always, Shelley Stedman*

My thoughts and prayers are with her family and loved ones.

Sincerely, Shelley
