“ *To Dorothy's dear family I am very sorry for your loss. Dorothy was a precious soul so very rare that I need someone like her back in 2005. I met Dorothy at the city of refuge church. She came into my life when I felt like I had no one I'm so blessed to be her friend although I haven't seen her in so many years her spirit is always with me. I love you all and praying for the Hardimon family . as well as praying for Walter Haley. we never understand why God takes his children home but that is his choice. I pray that your strength through this process will get easier day by day. I love you all ❤️ from Minnesota sister, LaGail Mitchell.*

“ My life was forever changed when I met Dorothy Haley, she held my hand as a little girl when I went to get baptized and she's been there for me ever since. When I was down and out she always encouraged me if I ask her for something she never said no she helped anybody and everybody and always offered prayer and words of encouragement. I love the fact that every time we spoke she never said goodbye it was always see you later or talk to you later. I will miss her laughter and her genuine heart. I will always carry her in my spirit, Love you Mama D
