“ I had the pleasure of meeting Eddie at Proctor Hospital. It seems that things were always changing...so, a cabinet might need to be removed or a desk. Boxes relocated, etc. Eddie provided his assistance with kindness and patience.

*It is always a blessing to work with a kind person. Eddie was that to his coworkers at Proctor.*

*My condolences to the family. May you be blessed during this difficult time. And, may Eddie know the reward of a faith-full and gentle man, for eternity, with His savior.*
