“ *To the O'neal family. What a wonderful person and a great teammate . My sincere condolences for you loss. I first played against Alvin when I was in the 8th grade in the diocese tournament. We lost of course but after the game I asked Alvin if he was going to Spalding. He said yes and I knew we would have something big coming for Spalding——and we did. What a 4 year ride Alvin took the Irish on and I consider myself lucky enough to be his teammate. It was so much fun to be on the court and around Alvin for those 4 years. What a great time we had especially our senior year and the ride to the state championship game. I thought the games we played at the field house at Bradley were some of the best game Alvin played.He will always be part of the great history of Spalding basketball history.*

*My prayers are with the entire family

“ My condolences to the O'Neal family on the death of Alvin. I was a teammate of Alvin's in 1969 when we finished 2nd in the Boys's Illinois State Basketball Tournament. Following is a copy of a tribute that I made to Alvin on the AOL SI 1969 Facebook site:

As many of you know, Alvin O'Neal passed away on September 2, 2020. Like all of you, I was saddened by this news. Alvin was a great teammate. In spite of his incredible talent, he was a very unassuming guy. I would actually describe him as shy. I never saw him lose his temper on the court, although I do recall an incident in the hallways of SI where he had a minor altercation with another student who had a reputation as a bad guy. From what I remember it ended very quickly with the bad guy backing down. With his size and reach Alvin would not have been someone to mess with. I also remember us being in a tight game but I don't remember the opponent. We were just coming out of a timeout when Alvin came to me and said "get me the ball." Even though he was not cocky he knew how good he was. He was our horse. Without him the great season that we had, ending with our appearance in Champaign, would not have been possible. I lost touch with Alvin after we graduated but I continued to follow his career. He first went to Illinois and then transferred to Morgan State in Baltimore, MD. In 1974 Morgan State won the NCAA College Division National Championship. Alvin was a key member of that team. If you are interested in learning more, I'm going to attempt to attach several PDF files to this post that I obtain from the Baltimore Sun newspaper.
