“ It is with great distress that such a beautiful and vibrant young woman has made her journey on this earth but not in everyone's heart. I worked with Liz for 13 years at PHA and found her to be one of the most elegant, educated women I have met. My deepest condolences to the Lewis family. I know how much she loved her family. She will surely be miss by her immediate family and her PHA family. RIP Liz Lewis! You are truly an "Angel" now.
