As the States begin re-opening in response to the Global Coronavirus Pandemic, some people are returning to their previous normal living standards. Unfortunately, we are now in our new normal as unreal and sometimes uncomfortable as the socially distancing and continuous use of protective masks may feel.

*In an effort to mitigate the spread of COVID-19, we ask that everyone in attendance: wear a face mask and refrain from hugging, kissing and shaking hands (as hard as it is to see someone you care about and not touch them). Thanks in advance for your cooperation! *

It is our responsibility as a Funeral Establishment, to do everything we can in order to honor our beloved Families and to keep everyone as safe as possible. The chapel can socially distance and seat a limit of ten (10) or less people. All others will be able to flow through and view prior to beginning the Celebration of Life Ceremony.

“ *Sherry, Sandra, Michelle, Lisa & Angela: Our sincere condolences to each of you. There aren't enough words that can be said or hugs provided to erase the pain and loss of another sibling gone from this world too soon, in our opinion. Only the Lord Jesus knows our appointed time to leave this earth.*

However, we are grateful for so many memories He's allowed each of us to share with Todd over the years. We pray you'll hold those memories close as they'll bring you happiness and return the beautiful smiles to your faces. We pray that our Heavenly Father, the Prince of Peace will be with each of you, wrapping & enveloping you in His amazing love as only He can.

*Thank you for sharing pictures of Todd with us, reminding us of so many memories from days past. "Other things may change us, but we start and end with the family." We love each of you! Sincerely,
Phyllis & Edward Starks*
