“ *To my old friend, memories of when we used to hang out , and you made fun of my shoes they were called boats , with the quarters inserted on the top of them. EC , made a song about them , which included my name . Just off the top. That was how funny he was ,I tried to get mad , but couldn't, because it was funny, and everyone laughed. That's how I remembered him, even after leaving Peoria. He will be missed , and his memories, I will always cherish always my brother EC.*

“ I remember getting into a casing contest that was like the SuperBowl. It featured myself, the late Tim Wilson, Duck(the late Julius Payton), and EC! I had come alive on Duck and Tim and EC jumped in and roasted ALL three of us! All of the people at Proctor came over to watch and listen. It was off the hook funny. EC had the gift of making everyone laugh regardless of the situation, he was a class A cut-up!
