“ Erica always made us feel welcome with the family. She was one of the few people our dog Diesel would let in the house without taking a chunk out of them. My favorite memory with Erica is playing guitar hero with her. Even being 7 months pregnant she still was rocking out. My thoughts and prayers go out to Pops, Granny and all the kids. Love yall.

“ *I did not know Erica well, but enjoyed reading her Facebook posts. I know she greatly loved her son, Timothy. She wrote often of her efforts to focus on the positive and to be the best version of herself. I know she will be greatly missed by all the people in her life who loved her.
