“ This beautiful lady here was an inspiration to me especially when she would come and get her hair done. I remember the day she ask me to take her to get a wig. We go to Maxies beauty supply store and purchase a wig. After purchasing the wig Mrs Stafford didn't want to wear it. I told her she was going to wear that wig one day and I think now this is the time sje?will be wearing her wig she purchase years ago. I love you Mrs Stafford and so do God. You live a wonderful wonderful life to live to see beyond 100.

Mrs. Stafford was the epitome of grace and kindness. I was blessed to sit in one of the workshops she led for women. She walked what she taught. I will always remember Mrs. Stafford warmly and cherish each interaction I was privileged to share with her.
