“ My heartfelt sympathies to all of the family of Gary & to all of the music lovers & fellow musicians around town who knew Gary. He will be sorely missed. Gary was probably arguably the best bass player in Peoria. Could play any kind of music. Played at many various venues around the Peoria area over the years but I remember him most when he played with Kriss Kross at the Otherside Lounge . Many fond memories of that era back then when Alvin & Keith was with them. Lot of unbelievable music & performances by that group back then. Rest in peace Gary. You left us too soon but you had a full and rewarding life filled with people who loved you for who you was as a person, a child of God, and your tremendous talent .

Thanks Gary

“ Wanda,
I was shocked when Maria called me and told me that Gary had passed away. We never I never said much about it but Gary graduated from Spalding with me. I remember him to be a kind and giving individual. He always had a smile and a kind word for everyone.
I can't imagine the loss and grief you are feeling. Just know you are not alone. If I can do anything for you or your family please don't hesitate to call me.
At Spalding we were all very close, so I feel like I have lost a brother.
My prayers are with you and your family.
