“ I met Georgia at Caterpillar in 1989 while working in Compensation & Benefits. I was the new person and she befriended me, and we were friends ever since. There was a group of four of us who went to lunch every so often and we talked about all kinds of things. After COVID hit our lunches stopped, but Georgia and I would still catch up on the phone. I will truly miss talking to her. My condolences to Corey and her family.

I am so sorry to hear of Georgia's passing. I met Georgia at Caterpillar and back in 80's. Many years later after leaving Caterpillar, while out for a jog in my subdivision, I saw her and we didn't realize we both lived in Lynnhurst. She would always stop her car if I was out jogging or in front of my house and say hello. One of the sweetest people I have ever met. My condolences to her family and friends.

“ Rest easy my friend. I'm really going to miss you. Not goodbye but, I'll see you later.

Cory, Dee, Jordan, and Parker thank you for sharing such a wonderful woman, matriarch with us. Because of Georgia I am forever changed. Now she has transitioned from elder to be among the ancestors, one of the elders.

I pray you find peace in the memories, and joy as you continue to live her legacy of compassion and excellence.

I love you.
