“ *I was just reading the obituary and hadn't realized this was the young man I went to church with way back when. My condolences to the family and Francine. When I read niece Chanelle that struck me because I used to babysit her for Francine. and she was a good baby .Again my condolences. Oh we all attended Holy Temple COGIC under the leadership of my cousin Elder Clark.*

“ *My Uncle Greg has always been there for us!!! I miss him more than words can explain. He put up a great fight!!! There are so many memories, but the one that I always think of is our family trip to Mississippi (over 35 years ago) and you fell asleep at the wheel... Grandma saved all of our lives b/c she woke up just in time and yelled "Greeeeeg" lol (the only memory that I have of grandmama that I can actually hear her voice)...I know you're at peace now with your mom/dad, brother, nephew and best friend....I will cherish our memories and I love you forever Uncle G!!!!*
