“ *Hi Blue family, this is Diane and Ray. It saddens us to hear "moma Blue won't be with us anymore. She told us she was ill. Ray knew her over 15 years,i was only at the building 3 years. It took a month for me to realize I wanted to sit with her at the diner. The only woman at that building we loved. I have never called any one moma but my mom and mother in law. If I didn't have food she would find me some. Moma Blue is the only one I missed when I left and will continue to miss her smile laughter advise and cooking. I pray your family strength.*
