“ Dear sweet cousin; I hold found Memories of you. Going back to when you had Anthony how proud and overjoyed you and Karl were. As your little cousin you taught me many things, as I watched you comfort and take care of your grandparents for many years. You were always an inspiration to anyone who met you. Full of love and compassion, and that great big beautiful smile, you always wore. Heaven has gained an angle. To be absent from the body is to be present with the Lord. Rest sweet heart until we see you again.

“ I remember how *EXCITED* Momma Hattie was when she found out that her first grandchild was a girl, being that she had all boys. I can still see her standing looking out the window dancing around because her granddaughter was getting ready to enter into the world. One thing she said to me was " You have to teach me how to do ponytails because I don't know how" she was smiling and laughing 😊.. You will truly be missed. LOVE you..RIH 🥺🥺
