“ Jackie was my Beautiful sister in law. But I call her my sister. I know she's happy up in heaven with Jack. And I know she's watching over her brother's. I'm going to miss our talks and visits. When we went to visit. We always had our little dogs with us. Which she would spoil them with whatever she had in the fridge. Milo and Rocky Balboa said they're going to miss being spoiled by Aunt Jackie. We Love you with all our heart ❤️. Keep watching over Jim for me when I'm away. I Love you my Beautiful Sister.
