“ *James Robinson is was one of my favorite cousins. He and his wife Bernice both showed me a lot of love. James had the kindest heart and his mannerism was always mild. James will be greatly missed and forever remembered for his sincere gentleness.*

“ To The Robinson Family: Uncle James has been a mentor to me and my children during the worst times in our lives. I loved him because He never past judgment always had encouraging words of wisdom. I will always remember you and give God all Honor and praise that you were in my life, Shareaf, Marcus and Serenity. To my Aunt Berniece I love you and was very sad when I heard the news that Uncle had passed away. I am sorry that I wont be home to go through this with you to be a support system right then, a shoulder to cry on or just lean on, but I know God has His loving arms around you and the children. May God continue to bless you and keep you strong, you know I'm only a phone call away. Denise Fleming~Clark & Family. Harrisonburg Va.

I'm happy, because I know you made it:) Hopefully our whole family start living Faithfully Dad for we all can make it when God comes back for his Rapture.
