“ 4 years later and I am still in disbelief. As a child JoJo took the role of a big brother the way a big brother is suppose to. We played together, we got in trouble together, we ate and slept together even when he didn't want me in his bed because I was surely gonna pee the bed. JoJo and Lisa were my mine, my big brother and sister, my protectors. LOL man I would give anything to have them back. He was the best!!! I just wanna thank him for being who he was to and for me. I love you always. your lil sis mo
