Tanya & Kourtney this is a hard one. My heart broke with yours, when I heard the news. I am praying the Lord will give you strength and give you the peace you'll need to get through this hour. I remember when we were pod partners and you were pregnant with Kameron, how excited you were, and the joy that baby brought you. I pray all the memories you have from his short time with you, will continue to comfort you. Know I will be praying for you and the family. Sherry

“ *Tanya and Kourtney (and family) words could never express the shock and sadness that we all feel in the loss of Kameron but God gained another Angel on Monday and he joins all the others we loved so much who left us all far too soon. When I think of Kameron, I only think of good funny thoughts. I remember he would call me from several different numbers and I say kam, who's phone are you calling me from? Hed say mine, but I'm getting another phone when I get my check (smile). He trained me to look for the area code so I always knew it was him. I would answer, what's up Kameron and he'd say WHAT UP CUUUUUUZ! When can I come to Dallas and kick it? I'm 21 now, ya'll can't leave me behind any more (lol!). For the Memphis Reunion, ya'll know he started way back at the Indy reunion telling me he was gonna be my co-host of the talent show and he menat that (smile). Xavier, my mom Norma (Weegie) and I send our most heartfelt condolences to you all. We are lifting you up in prayer; we pray for God's peace and comfort to cover you! We love you!*

“ Tanya and Kourtney (and family), we are all speechless and in total shock. Kameron was such a fun and loving spirit. I could always count on him to call me but always from a new number (smile). I'd say Kameron now who's phone is this? He'd say its mine but I'm thinking about getting another phone when I get my check...lol I started just remembering the area code and I knew it was going to be him calling so I'd answer What's up Kameron and he'd say WHAT UP CUUUUUUZ! Whatcha doin? When can I come to Dallas, I'm 21 now so I can come kick it? (smile) Then the Face Book drive bys started, lol....I am so gonna miss him. My mom and Xavier also send their condolences and we are keeping you all uplifted in prayer! He will be joyfully remembered along with the others that we lost too soon. I am so sorry that we could not make the service, I really wanted to, God knows my heart. We love you all and we are thinking of you and praying for you as well! May God cover you with his peace and comfort.

“ OUR SON

*It broke our heart to lose you,
But you did not go alone.
A part of us with you
The day god called you home.
A million times I've cried,
If loving could have saved you
You would have never died.
For give me lord, I'll always weep
For my son I loved so much
But yet I could not keep.*
