“ Lance was friends with my brother Tony Mahone and when we moved from Arkansas to Illinois it was a hard transition for me. Lance became like another brother to me always making me laugh and telling me who not to talk too! He was always looking out for me and making sure no one bothered me. He was so funny and just a LIGHT! I was also fortunate to be his senior prom date (my default) but I was glad just the same because he was like my brother and that is how we did things! I will always remember seeing him over the years and he always had that hug and smile for me! God Bless his family and I know he is laughing telling jokes to all the angels!
