“ I met Larry through work and we got to be good friends. Any time either one of us needed help, the other was always there. Work changed and I didn't get to see him as much but he always made sure I had the help I needed. He was so nice and caring. I wish I could have met his family he always bragged about. Larry, you will be greatly missed.

“ Larry was one of the best people I have ever met. Nobody will ever replace him completely as the way I have known him. As Captain Larry Turner, of Per Mar Security. To me, he was a role model. He gave me a job after I have been searching for over 5 months. May you rest in peace, Captain Turner.

Years ago I became acquainted with Larry & occasionally worked with him as a Security Guard at Security Services Inc. He was very friendly to me and had a great sense of humor.

My condolences to his family and may God bless & bring comfort to each and every one of them.

"And He shall wipe away every tear from their eyes; and there shall no longer be any death; there shall no longer be any mourning, or crying, or pain; the first things have passed away."

“ *My prayers are with you all, Turner Family. Yes, your hearts ache, cry you may, and may even wonder why this happened but be reminded that God's will and plan for our lives is great and well. Let's rejoice and thank God that Larry did win in life ultimately when God saved him. God bless you all and I pray God's peace that passes all understanding, strength to keep moving forward in Jesus, and comfort for your hearts as you ache and long for Larry's presence.*

“ The Turner family will always have a place in my spiritual heart because that is where I found Christ as a youth. Larry will be missed, however I know you all have comfort in knowing he was restored into the ark of salvation. Therefore his soul is at rest! Much love to each of you during this time and always,

“ *It's very hard for me to say good bye to my best friends since our teen years, so to my brother in Christ I said, I'll see you soon. To the Turner family you have my condolences, but Larry had already accepted the fact that he might make it and he assured me that it would be OK if God choose not to deliver him because he had the Holy Ghost. You are in our prayers.*

“ I have lots of memories of Larry Turner that I will never forget, but the one that I want to share is when I went down to All Nation Pentecostal Church of Jesus Christ, we both pull up about the same time for their Missionary Service, and when he notice that it was me he rush to greet me and and gave me this big hug, which he always does, but he had to tell me about the good news, and that was, he said to me" I finally got the Holy Ghost, man I was soooooo Happy and Excied for him tears begin to come down. He then went to explain to me what happen, he says I'm too excited, you should have been there, and I replied back, I really wish I was" I love him very, very much and he will always be in my thoughts , and in my heart. and he will never be forgotten. When ever he saw me, rather it was at the store, streets, it didn't matter; even before I saw him he, would yell hay Lynn, although my name is Linda, but I could count on that hug, if he could get a hug, he was gonna get a hug from you. He always called me his good friend, even though I consider him as family, because we are family . I believe you are in a better place now Larry, so God bless you Larry Turner. I will miss you.
