“ *Janice and family our prayers are with you and your family during this time of your loss of Latoya. She was a loving person, whenever I saw her, she always had a smile on her face, even after just getting out of the hospital. She was a fighter during her times of her illness flaring up, and she fought all the way to the end. God has called her home to end her pain and suffering. She will always be looking over her family from above, so stay in prayer and God will see you all through this.*
