“ *LeNell was such a sweet person. I first met her at Woodruff. After high school she lived across the street from my aunt and uncle and we saw each other often. I'm sad that we'd lost touch over the years. My condolences to her family and friends.*

“ I have so many memories of growing up with LeNell. She was a VERY dear friend to me for years. At one time in our lives, we were inseparable. Time passes and miles separate, but I won't hesitate to say that if I had needed ANYTHING over those years and miles and let her know that, she would have been there for me. She always was! To the family, please accept my deepest sympathy. Nonie (Hawley) Fiumara

I knew LeNell over the last 10 years as we attended church together. She was a very honest person and loved her daughter and grandchildren. I love her and will miss her until I see her in heaven.
