“ My name is Carrolyn Blassingame, I am the daughter of Beulah Blassingame, who was Ms. Lilly Davies' childhood friend. This friendship lasted from the age of two years old until 2007, when my mother passed. Many times, I would pass by my mother's room and find them talking on the phone for hours about their shared experiences. Both of them loved to laugh about life, living, marriages, children, family, etc. Whatever the situation was, they got through it with laughter.

Well, they are together now, resuming their friendship, Lilly had such a huge personality, I'm quite sure she is sorely missed by everyone that she came in contact with. Over the years, she was considered as my Aunt and it will always be accepted as such. I Love You Aunt Lilly.....
