“ Lois came to my mind the other day...the days we spent together in the offices at George Washington Carver Center remain some of my cherished memories. What a beautiful soul who had much charm and wisdom to share with a young girl without a clue! I left Peoria in 2014....many years after our time together, however I still thought of her from time to time. Sorry I won't have the chance to see that smile and I am so sorry for your loss....I'm quite sure she is smiling an an amazing angel I was so blessed to spend time with back in 1990.

“ Lois and I worked together in the Service Center at Illinois Central College. She was a kind and gentle person. She encouraged many students to do well in college. That alone should be a great tribute to her. Lois loved her boys and gave them a strong family to grow up in.

*I will miss her.

“ *Ronnie, I can't express how sorry I am for your loss. Your mother was a beautiful person both inside and out. I remember when we were at Union dinners and she was always such a loving, giving and caring person. Her every action and especially her smile showed she was truly one of God's own. It will be hard, I know since I lost Ivan two years ago but remember all the good times you had together. Remember the bad times, also, because of them you are the great man you became. All my sympathy and prayers are with you and your family.*
