“ Hard to believe that I've known you for 20 years. Reflecting back, I'm so glad to have met you and watch our relationship and businesses grow. Always helping each other wherever and whenever we could.

Life goes by so quickly -- what's important are the people we meet and enjoy along the way --- you were always one of my favorites and I always looked forward to catching up when we would get together. You were always there when I needed you.

My condolences to the family for your loss --- and all the people who's lives he touched.

I will truly miss you my friend.
