“ Miss Lynn was the angelic voice that I often spoke to on the Help Desk at Caterpillar. She was always pleasant, kind, and professional. She was truly a light on the job and blessed us with her friendliness and easy-going nature. It was a pleasure to work with as an adult because I played with her children when they lived on Bourland Street. My deepest sympathies go out to the Pegues and Williams families, as your angel now sits with our Heavenly Father. May He grant you peace and comfort in the days to come.

“ I met Mrs. Lynn through her son Darryl (my good friend), about 42 years ago when we both were employees of Caterpillar Tractor Co. Whenever I visited the home, Ms. Lynn was always so very sweet and kind to me. We had many everyday conversations talking about any and everything. One memory that I will always treasure is her teaching me how to make homemade biscuits and they were so delicious! She had such a genuinely beautiful spirit and I'm sure she will be missed. To Darryl and the family-Gently wrap yourself in the warm memories of your mom and let the love that held you close, continue to bring you strength, comfort and peace. God bless and keep you!

Lovingly Yours,

“ Minister Aunt Lynn your light is shining like a candle to me. A true women of God who choose to follow God every day. She would seek to know him more by reading his word, and through prayer. She served God by being an example to other women, and by serving her church and greater community. She was very compassionate. Aunt Lynn always had a kiss for me on my cheeks and call me. T, She would call me early during the week and say she will be preaching you and Richard come to church. Yes, would attend there to hear the love of God’s word through Aunt Lynn, but I called her Lynn growing up. Aunt Lynn I will see you on the other side. Wow I can see you, Moma , Cess, 6 brothers, grandmoma and granddaddy Leaping with Joy. God is good all the time !! Love you till we all meet again 🙏❤️

“ Auntie, you fought a good fight with dignity and courage. When mama was still alert she would always say “FaceTime or call my baby sisters or my brothers.” And auntie no matter how you was feeling you always asked, “how are you doing big sis??” Every conversation ended with mama and you saying “I love you big or little sis” . I believe with all my ❤️ mama left on February 6th to welcome you with the rest of your family just to let you know you’re not alone and just how beautiful it is. You earned your wings auntie. Your niece Cathy
