“ *My beloved first cousin, Maggie Lee Marshall Hampton. My sisters VerBon and Florence and i always called her Coot. That's what Mama our grandmother Joanna Taylor called her. Mama helped Auntie Coat's mother to raise her.*

I miss her greatly and cherish the times I spent with her. Wish there had bee more in later years. I always kept her in my prayers. God knows my heart and that's what counts.

Our mothers' kept in close and loving contact with each other. they were sisters'. Gertrude and Ann. there were 4 girls, Aunt Francis, Aunt Dee (Mary Lee) Mother's motto for us was: "Love one another."

I just wanted to write and share this. May God bless Coot's soul, and all of us.

*Lovingly submitted,
Ba
