“ *Can you tell me why a man has to die, laid to rest in a suit and a tie, while a man stands with praying hands constantly saying how well he knew this man, as though he knew him well and didn't go to hell, but he's up above where there's very much Love, that there was another plan for this man and that's the reason why, he had to die. God called you home he wanted you for his own, we will never stop missing you and will always hate the fact that you are gone, but we rest assured that you are home, My Love to the Family, Grandma Green*
