I didn't know Marc well but I know that he truly loved my cousin and their son Taimar. I do remember that Marc was always willing to help anyone out you didn't even have to ask. Like when he helped us move our Grandma and carried the couch out by himself. I still laugh at that all the time. I'm sure my grandma Alberta met him up there because she was very fond of him too! Rest in Peace Marc you will be missed.
