“ My heart is saddened in hearing of the passing of our childhood friend . Margie was always the one who would share her wisdom in keeping the kids on the block on track . It is amazing how so many memories that you haven't thought of in years flood your mind when you learn of someone going on to be with the Lord. All of my memories are good of my childhood friend and even as I write this I am smiling about some of the good times we had together as next door neighbors. Margie was a wonderful women who had a heart of gold and will be missed by all that knew and loved her. Rest on my friend.

“ Margie was my neighbor growing up, she was such a beautiful, thoughtful caring person. She Loved her family dearly and would do anything for them. I remember sitting on her porch a many a night we are talking and laughing about any and everything. I guess I've known Margie since grade school I will really miss her. One of my fondest memories of Margie when we were teenagers, she looked at me and said You know I have everything I want in life - I had to stop and think because a young person there were so many things I wanted to do and places I wanted to go. But Margie was content with the things she had, and she cherished everything she had. She was wise beyond her years and that was what I loved about her; she was like an anchor for me growing up.
