“ *The first time I met her it was at the bus line up here in Peoria. That was 29 years ago, my daughter was about 2 months old she fell in love with her and from that point on we were friends! She told me she was from NY and I was like "why are you here"! LOL. We would always see each other from time to time at the line-up. I haven't seen Ms Marsha in years, she was a very sweet lady. May she rest in peace*
