“ I worked with Mary at DHS;DRS for many years. She was a wonderful Counselor and Co-worker. She shared many stories of her life, children, and grandchildren. She taught me so many things. I have never been to Vegas but her stories always made me want to visit to see the shows she loved. Mary's laugh always made me smile. When my niece Hannah came to "Take your daughter to work Day" She "interviewed" Mary. She too learned a great deal and wrote about it in her "Experience Questionnaire". These are memories we will have forever. I am very saddened by her passing, but I know her faith was strong and she sits with the Lord. My condolences to her family and friends. You will continue to be in my thoughts and prayers.

“ I met Mary in 1994 at a memorial service for my grandmother. While we did not have many opportunities to talk, I was grateful for her quiet, unwavering strength during a difficult time. The next time I saw Mary was for a much happier occasion - Mariah's second birthday. That was when I discovered Mary's sense of humor. She had a mischievous glint in her eye that said "no one tells me what to do!" Mary was a gift to our family and this world. I treasured her. My heart is with her sister Joyce, daughter Lori, son-in-law Malcolm, son Malcolm, daughter-in-law Andrea, and grandchildren Mariah and William, Nia, Tyson, and Jordan.

“ *Mary and I have not worked together for quite a few years, but she was always kind, level headed, and patient with her clientele and I doubt that changed over the years. Mary had a way of making everyone feel warmly welcomed and accepted. Whenever I would happen to run into her in Peoria - mostly TJ Maxx(!), wed have a good catch up visit. What a loss of such a sweet lady. My deepest sympathies to her family.*
