“ *Hey Matt....I just want you to know that I love you and miss you...I never thought the last time I seen you and hugged you was gonna be my last time but I'm happy I got that chance to talk to you and hug you and make you laugh one more time...it's so hard for us to see you go like this but I know your in a better place and I know your real mother was right there waiting on you to take you to the gates of heaven....until we meet again Matt...help the rest of our angels watch over us and keep us safe from harm...fly high my brother and r.i.p.*
