“ *Cousin Mattie seem to have a caring, calm and beautiful spirit. She would have been a wonderful teacher in somebody's classroom. I enjoyed our discussions about family history. You were so open, approachable, pleasant and peaceful like. Cuz Mattie you lived a full life and stayed connected to your family from the south. This I will remember. Thank you for the Bible you gave me. This I will remember also. You have lived and labored on this earth. May God bless you to rest on. Love Cuz Carolyn Johnson.*
