Big Mike was a starter, leading scorer and Most Valuable Player of the 1977/1978 Wilkes-Barre Barons Championship team.

Big Mike dedicated his life's work to improving the lives of Peoria's youth. His career path included the Youth Farm, Boys and Girls Club of America and Peoria District 150 at Blaine Sumner School.

“ Mike put the Gentle in Gentlemen. We worked together at The YWCA Homeless Shelter where he was respect and Loved by his coworkers and the families we served, especially the children. He always made us laugh and smile even in those hard circumstances. I can still smile knowing he and his Special Son Saavon can finally walk together. Peace be with you Gentle Giant ! To the Family please accept my sincerest condolences. I hope the memories you have of Mike bring you comfort.

“ *Michael was a warm, gentle, humorous, sometimes stubborn but heartfelt man! I will forever hold dear our conversations that we shared for the past 40 years! To him I was always "Moe" the stooge in me as he would say! I have been so Blessed to share a part of his life and I will forever hold my Love for him close to my Heart! Having come to the end of his earthly journey he yet shares himself with the world of medical science! Such a beautiful person. You now have entered into eternity and I can hear the voice of Versie June Moore who loved you till the end fussing at you with the infamous "popcorn" story! Until we meet again!*

“ One of the best of a gentle giant. Big Mike was just that a good guy and a great friend. If you played ball you knew him; if you attended Manual you knew him. Basketball did not change him. He was a temporary gift to us all. I'll miss him on Facebook , because I waited on his typical BS. To his family crying is apart of loss, but our hearts and minds will heal and laugh just because we remember BIG MIKE. REST MY FRIEND.

“ I remember the first time I met Mike. It was like 1988 or 1989 my first day going to talk to him at the women shelter at the YWCA. I was with my sister we was waiting in the lobby then we start this voice with all this bass on the elevator singing MC Hammer don't remember the song. But me and my sister turn to each other and like who is that, then the elevator door opens and I'm like wow, he is tall and from then on we have been buddies from Facebook buddies to food pantry he was a sweetheart a big teddy bear and I will miss him 🥺💕👉👈
